# The Gem of the Wilson Historic District:

The Wilson Historic District is the campus for The Meadows Foundation and features shady, tree-lined streets that are wide, smooth, and flat. All turns are 90 degrees. The 8/10<sup>th</sup> mile course encircles The Meadows Foundation, the shaded green oasis of Central Square City Park, and the restored 19<sup>th</sup> century historic homes that line beautiful Swiss Avenue. There is a full city block straightaway both before and after the finish line. The Matrix Challenge is a pleasant, safe, and family friendly environment perfect for both racers and spectators alike.
